

Electric (Z)

Builder

Hydronic (H)

Some of our clients prefer the elegance of simplicity. Or plain discretion and less ostentation. Others seek practical utility which is not synonymous with lack of quality.

These models are only more affordable because intricacies in production or components have been minimised. Quality has not been compromised yet price has been moderated.

Model	Chrome	Nickel	Satin nickel	Brass	Gold	White
Builder 1Z & H	\$819.00	\$897.00	\$960.00	\$1200.00	\$1320.00	\$835.00
